*Our musicians are top quality musicians, and would be happy to choose the most appropriate music for your special day. If there are special requests, please select from the artist play list if possible. All special requests not on the artist's play list are subject to approval by the artist. In some cases, the selections may not be appropriate for the artist. Requests for a song not currently being performed by the artist must be received a minimum of **30 days** in advance of the performance date. It will be the responsibility of the Bride/Groom/Wedding Planner to provide this information to us. In most cases, requests must be limited to one per engagement.*

The request for additional songs, the need for special arrangements of music, the need to accompany a soloist, a need to be at the rehearsal, changes after 30 days will all necessitate an additional charge. It is therefore our agreement with the lead musician that there will be no special requests, additions, or changes after 30 days, so they can best prepare for your wedding. Thank you for your cooperation. We look forward to working with you to provide a memorable wedding ceremony.
